

BLUEWATER
SPORTFISHING BOATS, INC.

Bluewater 23t

The 23t is tournament bred, incorporating virtually all the must-haves demanded by a true fishing fanatic. If that's you, this is your boat. We package the 23t with almost all of the options tournament-level anglers want, minimizing the amount of additional out-of-pocket expense required to complete the boat. In fact, the only items you'll want to customize are the T-top and electronics package.

The flush, one-level deck layout maximizes usable space and features the most storage and fish box area of any 23' boat. The true tournament cockpit is well laid out, with a 50-gallon circular livewell/leaning post combo and 10 standard rod holders lining the gunwales. Dual automatic bilge pumps are standard, as are twin independently plumbed and switched Shurflo bait-well pumps, to ensure you won't lose a well full of bait. A broad deck forward makes casting a net easy. High gunwales with ample toe room below and a wide, uncluttered cockpit give you maximum fish-fighting capability.

The perfectly balanced, 24-degree deep-vee hull runs flat and smooth in all conditions. The Bluewater 23t lets you run with the big boats in rough seas—which means you'll always be there for the early bite.

Specs

LOA (including bracket)	25' 9"
LOD	23' 5"
Beam	8' 5"
Draft (hull only)	18"
Deadrise (degrees)	24
Dry Weight (pounds)	3450
(without engines)	
Maximum HP Rating	400
Fuel Capacity (gallons)	180
Water Capacity (optional) (gallons)	12

Features

- Three-piece fiberglass construction
- One-level deck with in-deck storage compartment
- Custom console with in-dash electronics storage
- Two-piece rub rail with replaceable rail insert
- 10-year structural warranty

Deck

- Hand-laminated deck cap with 10 rod holders
- One forward anchor locker with FRP liner
- One forward fish box with foam insulation

- One aft bilge access hatch
- Two downrigger/deep drop 12-volt outlets
- One 316 S/S flush mount bow light
- Fixed backrest for leaning post with four rod holders
- Hand-laminated deck liner with integral storage lockers
- Two forward storage lockers
- Two aft fish boxes with foam insulation
- Two S/S wash down outlets (salt and freshwater)
- Six 8" 316 S/S pop-up cleats
- 50-gallon circular baitwell/leaning post with light
- Rigging and downrigger ball storage in leaning post

Electrical

- Custom Bluewater panel with circuit breakers
- Custom Bluewater integrated wire harness with waterproof connections
- One Group 27 battery for each engine start
- Baitwell light
- High water bilge alarm with audio/visual alarm

- Custom battery switches with automatic multibattery charging
- One Group 27 battery for house system
- 316 S/S pop-up bow light
- Two 12-volt downrigger/deep drop outlets

Plumbing

- Two 1100 GPH baitwell pumps
- High-water bilge alarm
- Fresh-water wash down system
- Racor fuel/water separator(s) with 316 S/S head
- Two 1600 GPH bilge pumps with dual auto switches
- High-capacity saltwater wash down pump
- 180-gallon aluminum fuel tank

Hull

- Solid hand-laminated hull with foam core hull sides
- Bluewater custom FRP Multi-Plex stringer grid
- Foam core transom
- In-hull cockpit drains with Rabud scuppers
- No wood construction
