

Alfastreet Marine

TIMELESS MULTI FUNCTIONAL VESSELS

The owner, architect and boat enthusiast behind the brand, **Iztok Pockaj**, pays much attention to every single detail. His innovative approach to the boat design ensures an optimal combination between functionality, **timeless design and high usability**, all this to create the best experience on any body of water. At Alfastreet Marine we develop unique technical solutions, to improve the **performance, stability and safety** without taking compromises.

ALFASTREET MARINE

prides itself upon **boutique boat production** of recognizable design, which is a mixture of traditional and modern elements with perfected innovative and useful solutions. Our wish is that our buyers would be able to enjoy using our boats carefree for a long period of time.

Therefore we always listen their wishes and needs and enable them to really get a **boat of their dreams**.

Last but not least, our relationship does not end when the boat is sold, as our technical support is always available to them.

OPEN DAY CRUISER

for leisure excursions and picnics

The boat provides great stability on the water even for fast ride enthusiasts. The comforts is uncompromised even with the higher speed and with outboard gasoline engine it makes it perfect day cruiser for longer distance and faster turns.

EASY ACCESS

Easy and safe access is provided by one side rear entrance that is protected with the design doors to ensure additional safety on board. Alfastreet Marine design is authentic and details are visible everywhere.

CONTEMPORARY CONSOLE DESIGN

The design of the console was well studied to implement all the necessary instruments and maintaining the timeless appearance without losing the comfort. The helm console can be mounted centrally or laterally, allowing to walk around inside the cockpit.

SMALL GALLEY

The cockpit offers enough space to have inside also a small, but well-organized galley corner with a 30l stainless steel pull out fridge, cooker and sink. Even its size offers everything to make a coffee or an easy meal.

ERGONOMIC SEATING

The spacious back of the cockpit resembles a real living room because of its quality seats that provide maximum comfort. For optimal experience, these seats can be adjusted with a specially designed mechanism, thus offering a wider seating area. The boat has multiple inbuilt shelves and other storage areas in the cockpit.
