

Alfastreet Marine

## TIMELESS MULTI FUNCTIONAL VESSELS

The owner, architect and boat enthusiast behind the brand, **Iztok Pockaj**, pays much attention to every single detail. His innovative approach to the boat design ensures an optimal combination between functionality, **timeless design and high usability**, all this to create the best experience on any body of water. At Alfastreet Marine we develop unique technical solutions, to improve the **performance, stability and safety** without taking compromises.

## ALFASTREET MARINE

prides itself upon **boutique boat production** of recognizable design, which is a mixture of traditional and modern elements with perfected innovative and useful solutions. Our wish is that our buyers would be able to enjoy using our boats carefree for a long period of time.

Therefore we always listen their wishes and needs and enable them to really get a **boat of their dreams**.

Last but not least, our relationship does not end when the boat is sold, as our technical support is always available to them.

Outboard MOTOR

**21**  
O P E N

**OPEN DAY CRUISER**

offering **MAXIMUM COMFORT**

21 Open model is designed for nautical enthusiasts who enjoy easy cruising. It features great stability and comfort for 8 adults. Unique cockpit design with central or later helm console makes this model perfect for lakes, where electricity is a must for quiet rides on the seaside. The boat provides great stability on the water even for fast ride enthusiasts. The comforts is uncompromised even with the higher speed.

## UNIQUE PATENTED HYDRAULIC HARD TOP

The most attractive and recognizable feature of the boat is definitely the hydraulic hardtop roof, which is currently the best solution available on the market. The roof can be closed at a distance of up to 30 meters in less than 30 seconds, so that the boat is completely protected from all the external influences, such as rain, leaves and other dirt.

## EASY ACCESS

Easy and safe access is provided by one side rear entrance that is protected with the design doors to ensure additional safety on board. Al-fastreet Marine design is authentic and details are visible everywhere.

## SMALL GALLEY

The cockpit offers enough space to have inside also a small, but well-organized galley corner with a 30l stainless steel pull out fridge, cooker and sink. Even its size offers everything to make a coffee or an easy meal.

## ERGONOMIC SEATING

The spacious back of the cockpit resembles a real living room because of its quality seats and cockpit layout that provides maximum comfort. The cockpit table can be lowered to offer even more space for relaxing.

# A MULTI-PURPOSE CRUISER FOR A PERFECT VACATION

This model offers unique and multi-functional ergonomic cockpit and bow layout solutions to ensure the maximum comfort on the water with a distinctive timeless style. Design and engineering phases were merged together to optimize the living spaces and integrate the aesthetic shapes with hydrodynamic and structural requirements. Whatever engine you choose, the 32 Cabin is a safe and comfortable cruiser that exudes quality and enjoyment even when reaching higher speeds.

## CABIN COMFORTNESS

This model offers the most spacious cabin with a comfortable king size bed, separated small bathroom and a practical wardrobe. The access from the cockpit is easy and safe to ensure the maximum comfort and movement inside the cabin. Dimmed side windows offer great wide views and provide daylight illumination. The attention to details is obvious everywhere and one will feel like home and enjoy the overnight.

## EASE OF USE

Easily operated hydraulic hard top roof is almost a must feature on this model, because it's allowing easy handling and provides shadow and protection in all weather conditions. Additional useful feature is the in-built tent that also covers the sunbed area and provides much needed shade.

## ATTRACTIVE CONSOLE DESIGN

Certainly, the 32's front console is something that cannot be missed with all the tailored details to feel like in the convertible car. Well studied position of all the instruments on the wooden inserts, upholstered sides in the premium marine upholstery and indirect illumination is something that makes the 32ft model recognizable, timeless and appealing vessel.

## EASY ACCESS

Easy and safe access is provided by the two side rear entrances that are protected with the doors to ensure additional safety on board. The remote operated hydraulic hard top features an additional spacious sliding door to simplify the entrance to and from the cockpit.
