

Special Projects

Spirit of Scandinavia

Production boat manufacturer - Custom Projects - Special Tender Projects - High tech production facilities

SR26 Technical Specification

Length overall

7,92 m

Maximum beam

2,43 m

Draught (with drives)

Approx 0,78 m

Height (From WL)

Approx 1,9 m

Height (Storage)

1,53 m

Displacement

1,9 tons approx.(dry)

Engine options

1 x Yanmar 260 hp

1 x Volvo AQ 220 hp

Cruising speed

35 knots

Maximum speed

42 knots

Fuel Capacity

200 litres

Fresh water Capacity

50L

Construction

WIN-Tech resin infusion GRP construction

Vacuum injected details

Naval architecture

Geir Arnestad / WINDY design team

Design

Eidsgaard design limited

Design category C

9 people (12 seats)

Standard equipment

Hull

Vacuum resin infused deep V hull
White gelcoat
Hullside WINDY logo

Deck

Vacuum resin infused deck
Teak on deck and bathing platform

Cushions

Silvertex cushion, colour as decided upon

Deck fittings

Deck fitting and welding finish is WINDY yacht standard
Stainless steel nomen deck cleats (6)
Anchor chain locker
Electrical anchor winch (6mm / 40 m chain)
Stainless steel 7kg anchor
Stainless steel folding flagpole with toplight incorporated
Stainless steel bathing ladder
Heavy duty rubbing fender all around
Portside sofa convertible to 2 chair seat
Table in bow with storage under cushions
Shower on bathing platform
Hinged helm console for lower storage height
Boarding lollipops (2)
Sprayhood for forward bench
Water outlet in anchor locker
Game fishing rod holders
LED courtesy lights (7)
Underwater lights (4)

Fresh water system

Fresh water pump 12 V
Fresh water tank 50 litres
Electrical system
1 x Engine start batteries 70 Ah, 12 V maintenance free
1 x Service batteries 70 Ah, 12 V maintenance free
Batteries switches
Shore power 16 A / 230 V
Shore power deck connection and cable
Electric outlet 12 V by the console
Cathode protection by zinc anodes

Propulsion system & engine room

Engine: Yanmar 6BY2-260Z (260 HP)
Propulsion: 1 x Z370E drive
Fuel tank aluminium: 200 Litre
Trim tabs
Fuel filters
Fuel valves with safety cut-off
Automatic fire extinguishing system
Thermo-acoustic insulation
Full access hatch, actuator assisted engine room hatch

Navigation area & electronics

WINDY custom steering wheel
Nextel dashboard
Hydraulic steering system
Engines multifunction display
Engines maneuvering & control system
Rev counter
Engine oil alarm
Engine water temperature alarm
Engine batteries voltmeter
Fuel and fresh water tanks level
Raymarine E7 chartplotter with GPS
Stainless steel bow lights
Horn
Navigation lights
Raymarine 260E VHF Radio
Fusion 700 for iPod with 2 speakers

Upgrade/Options

Raymarine E127 chartplotter
Upgrade to unique gelcoat or AWLGRIP spray paint
Unique hull logo
Logo on seats
Bimini top with unique logo on bimini top
Anti fouling
Bow thruster
Cold storage under starboard sofa
Ski pole with storage under engine hatch
Fender kit
Towing hook
Console and helm cover
Overall boat cover
Lifting points (4)
Removeable helms seat
Extra boarding steps
Removable backrest engineroom hatch, lower storage height
