Windy
SPIRIT OF SCANDINAVIA

HISTORY AND LEGACY

WINDY was established in 1966 by Hugo Vold. His father was a fisherman, and his family had many anxious moments awaiting his return as storms raged in the Skagerrak. All his father's boats were called 'Vindy', and he brought every one of them safely back to port. Vold shared his father's love of, and deep respect for, the sea.

Following his university education, he became a boat builder. He wanted his vessels to be known for their seaworthiness and high quality, and he called his company 'Windy' in honour of his father's sturdy fishing vessels. At a time when Scandinavian producers ruled the European market, revolutionising boating and showing millions how to have fun on the water, Vold hired the best designers, sought out the finest boat builders and craftsmen and not only created a world-beating brand, but succeeded in turning the Windy name into a marque of quality. 58 years on, Windy Boats is proud to live according to Vold's legacy, and to build production and custom boats which are acknowledged throughout the world as second to none.

UNRIVALLED SCANDINAVIAN QUALITY

When Windy Boats was established in 1966 our first sports boats set new standards for performance and craftsmanship. More than 58 years on, we're still driven by the urge to be the best.

All Windy Boats bear the hallmark of quality without compromise, drawing on five decades of boat building excellence, and centuries of Scandinavian seafaring heritage. Put simply, we build better boats because we are Windy. It is in our DNA.

IMPECCABLE WORLD-CLASS DESIGN

Design Unlimited is a versatile studio, founded by Mark Tucker in 2000. They have extensive experience in the interior and exterior design of fully-custom super-yachts as well as production models for the wider yachting marketplace.

Design Unlimited has played an integral role in developing some of the most iconic yacht ranges and their name is associated with some of the leading international brands. They enjoy a long-lasting and successful relationship with Windy.

40- FEET OF FUN

Below the sunpad you can find custom made storage for Seabobs, paddleboards and Fliteboards as well as integrated charging and a compressor for inflatables. An optional submersible platform makes launching toys extremely easy and facilitates access when swimming or diving.

Our updated Camira allows you to take all you with you for an enjoyable day out on the water

The Camira combines fun with a beautifully proportioned design, timeless elegance and luxury. This in combination with an aggressive deep-V hull and powerful engine options makes the boat versatile and suitable for everyone's desires.

EXTERIOR

With a large sunbed and a passageway to port, the sunbed backrest can slide back and the cockpit table lowered to create an inviting sunpad.

An optional wetbar with all the amenities compliments the cockpit and turns the area into the perfect entertainment zone.

The updated dashboard allows for twin Multifunction Displays and step access onto the foredeck which has an additional sunpad.

A full beam hardtop with integrated sunroof offers superb protection from the elements. All deck fittings on the Camira are made using the highest quality materials to withstand the harsh elements out at sea.

The upholstery is offered in several different colours. Make a statement with your boat and wrap the hull in the colour of your choice. Contact your local dealer for the latest colours.

PERFORMANCE

40 Camira SX

Windy

WINDY BY YSTER PADDLE BOARDS

PRECISION ENGINEERED, HAND-FINISHED

Windy's reputation is built on quality and craftsmanship. Our award-winning deep v-hulls are renowned for delivering an exhilarating, yet stable and dry ride. Our production facilities in Västervik, Ostroda and Slupsk are among the most advanced in Europe, employing vacuum infusion moulding to produce stronger, lighter and more fuel-efficient hulls.

Distinctive interiors by leading superyacht designers combine clean Scandinavian lines with luxurious detailing. Every boat is hand-finished with Windy's customary perfectionism using the highest quality components and finest materials.

For Windy customers, only the best will do.

EXQUISITE

Below deck, the genuine quality of the boat builders' craft is revealed with an all new interior layout designed by Design Unlimited. Fitted with an attractive galley, double bed and overhead cupboards throughout.

A variety of options allow you to tailor the boat to your specific needs. The spacious bathroom features a luxurious separate shower compartment.

40 Camira

INVITING AND ADAPTABLE

Whether you are out on the water with the kids or entertaining guests, the Camira can accommodate for every occasion.

The deep seating sofa allows for relaxing after a hot day in the sun and can be easily converted into a large double bed. An option to add a door to create a separate forward cabin is available as well as choosing a permanent bed over the lounge sofa.

AFT LAYOUT

Customers have the choice of either additional space for storage and appliances, such as a wine cooler, coffee machine or even the option of adding an additional aft cabin with double beds.

COMFORTABLE

Luxury full head height luxurious bathroom with separate shower from the toilet and sink.

PERFORMANCE

For the 40 Camira customers have the choice of powering their boat with a range of Volvo Penta, Yanmar or Yamaha engines.

The 40 Camira RS has options of twin Volvo or Yanmar installations with stern-drives whilst the 40 Camira SX allows choosing between double or triple outboard propulsion.

The deep-V hull that is synonymous with Windy Boats is designed to tackle the toughest of Scandinavian sea conditions and makes the 40 Camira capable of speeds up to 45 knots.

LAYOUT

The generous cockpit seating area makes the 40 Camira a superb all-rounder, allowing you to entertain on a nice day out whilst having all the amenities for an extended stay.
