Having created the world's first sealed air inflatable yacht slide in 2008 and shortly thereafter custom fitting the Motor Yacht Lazy Z in 2009, we at FreeStyle Slides have redefined the way the yachting community views both work and play. The FreeStyle Cruiser Yacht Slide has become a world wide phenomenon and, while fast approaching 1,000 custom fit yachts, we have developed the most comprehensive line of bespoke inflatable products in the industry.

We cordially invite you to become a part of our family of yacht owners, captains, staff, and lovers of all things yachts. Our clients are the elite of the elite, belonging to a group of people that live the life of luxury and fine entertainment.

FreeStyle Slides is proud to bring you our luxury line of yacht slides, water toys, pools, docks, and accessories. We are dedicated to making your time on the water as enjoyable as possible by providing custom products that are exceptionally made to your exact specifications, and with the level of customer service that you have come to expect. All of our products are made with the finest materials using unsurpassed technology and innovation.

FreeStyle Slides has been providing luxury products since 2002 and pride ourselves on being the only truly bespoke supplier of inflatable products in the world. Experience combined with unprecedented quality and unparalleled service sets us apart to discerning clients such as yourself.

FEATURES & BENEFITS

CUSTOMIZATION & DESIGN

M/Y Lazy Z

M/Y Plan B

Our Leg Support (LS) Slide is designed with a slide height of 7m to 13m. The leg base is engineered for minimal hull contact and provides extra support for slides up to 13m in height.

FREESTYLE **CRUISER LS™**

M/Y Amaryllis

FREESTYLE **CRUISER NLS™**

M/Y QM of London

M/Y Naomi

M/Y Natita

Our Non-Leg Support (NLS) Slide is designed with a slide height of 3m to 7m, fitting on smaller yachts or as a lower deck option on larger yachts.

FREESTYLE
CRUISER NLS+™

M/Y Lady Sura

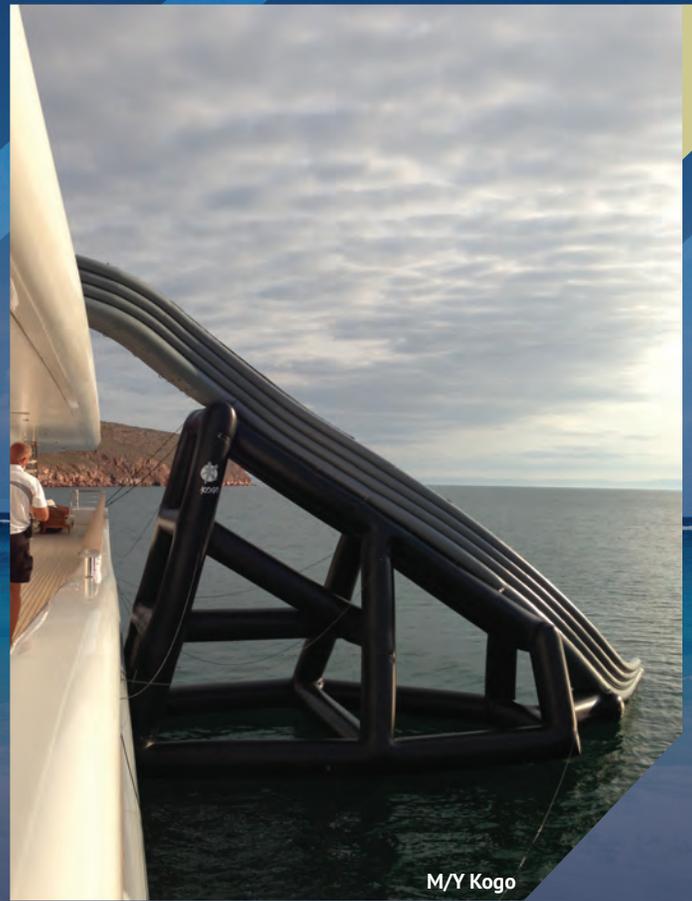

M/YH

Our Non-Leg Support Plus (NLS+) slide is designed as a streamlined alternative to our Leg Support (LS) Slide. This slide is designed with a slide height of 7m to 12m without the need of a leg support.

Our "S" Slide (SS) is designed for those desiring a truly unique experience. The S Slide showcases our ability to customize almost any slide configuration imaginable. These slides range from 5m to over 16m in height.

M/Y Kogo

M/Y Kogo

FREESTYLE **CRUISER SS**™

Our Self-Supporting Slide (SSS) is designed for those who want the ultimate in yacht sliding. There are no limits to how high you can go! These slides are self-lifting during the inflation process when no crane is available.

M/Y Kogo

FREESTYLE **CRUISER SSS**™

FREESTYLE **CRUISER XS**™

Our Cross-Over Slide (XS) is perfect for those who prefer a freestanding slide with minimal storage requirements. These slides can be designed to attach to the swim platform or simply anchored to your vessel with mooring ropes.

FREESTYLE **CRUISER CS**™

M/Y Vantage

M/Y White Rabbit

Our Curved Slide (CS) is designed to propel the rider back towards the swim platform making it more convenient to board the yacht after sliding. These exciting slides can be customized from 4m to over 16m in height.

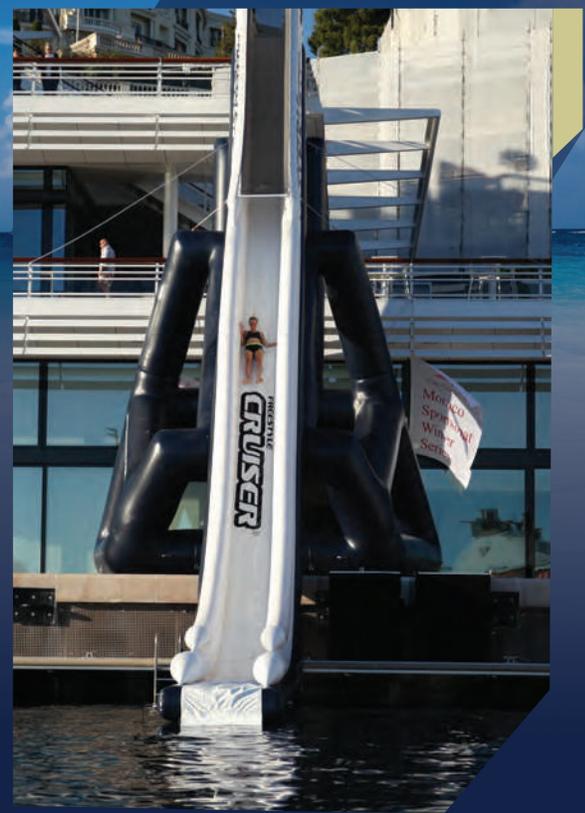

FREESTYLE **HYBRID**™

As a symbol of the ultimate in yacht toys, FreeStyle Slides recently customized the world's tallest yacht slide to attach to the brand new Yacht Club de Monaco which opened in June of 2014. The FreeStyle Hybrid slide stands over 15m tall, launching sliders from the Yacht Club's 3rd story, all the way down into the blue waters of the Mediterranean.

"It's been a privilege and an honor to work with such a fine establishment as Yacht Club de Monaco", said Stephen Philp, owner of FreeStyle Slides. "We are proud to be one of their sponsors and excited about the opportunities that such a great partnership presents."

Proud Sponsor
of Yacht Club de Monaco

Astondoa

FREESTYLE **CRUISER IS**™

Our Intermediate Slide (IS) is designed with a slide height of 2m to 5.5m. These slides are perfect for smaller yachts, sailboats, and cabin cruisers that have space limitations.

S/Y Atlantic Clipper

FREESTYLE **FLIER**™

FREESTYLE **RAIL**™

High-quality construction and superb design make the FreeStyle Rail and Flier favorites amongst Wakeboard and Water Ski enthusiasts. Easy to inflate and secure, these are a must-have for your waterfront environment.

Our FreeStyle Pool is the perfect addition to your slide. Lounge poolside free of harmful sea life while enjoying the excitement of the slide. Alternatively, your slide can be set up so that you exit directly into the pool, keeping you secure at all times.

All of our pools are customizable to any shape or size, with an array of color and logo options to match your slide.

FREESTYLE **POOL**™

FREESTYLE **JET SKI DOCK**™

M/Y Imagine

Our FreeStyle Jet Ski Dock is a versatile floating platform designed to dock Jet Skis, Sea-Doos, Sea-Bobs and Tenders with safe, easy access. Each dock can be customized based on your individual needs, such as transitioning to an extension of your swim platform.

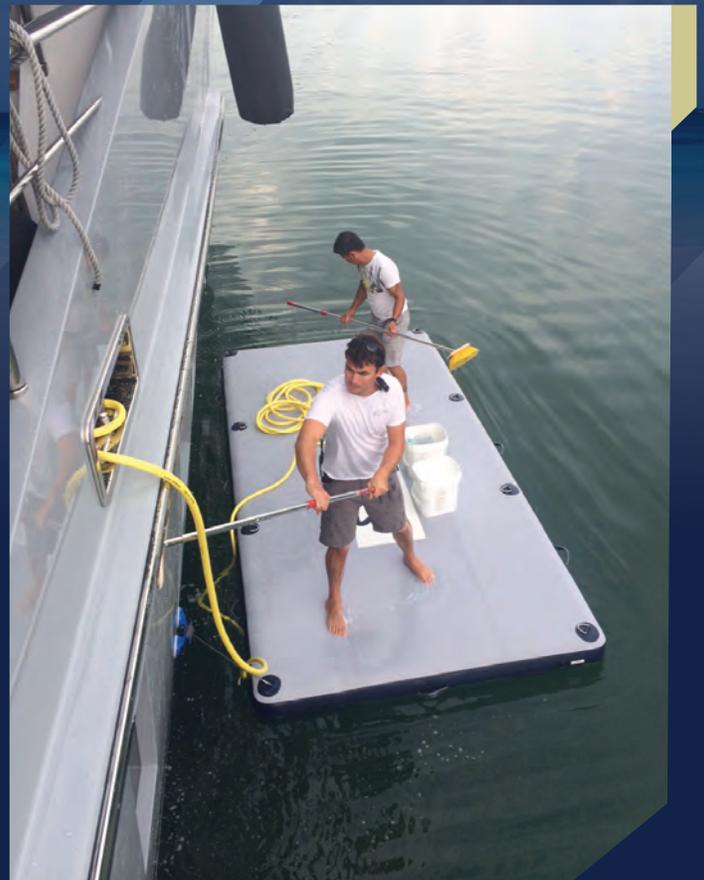

M/Y Irimari

With many other options such as descending ladders and interchangeable swimming pools, there are no limits to the configurations that can be designed and engineered as we approach 1,000 custom fit yachts worldwide.

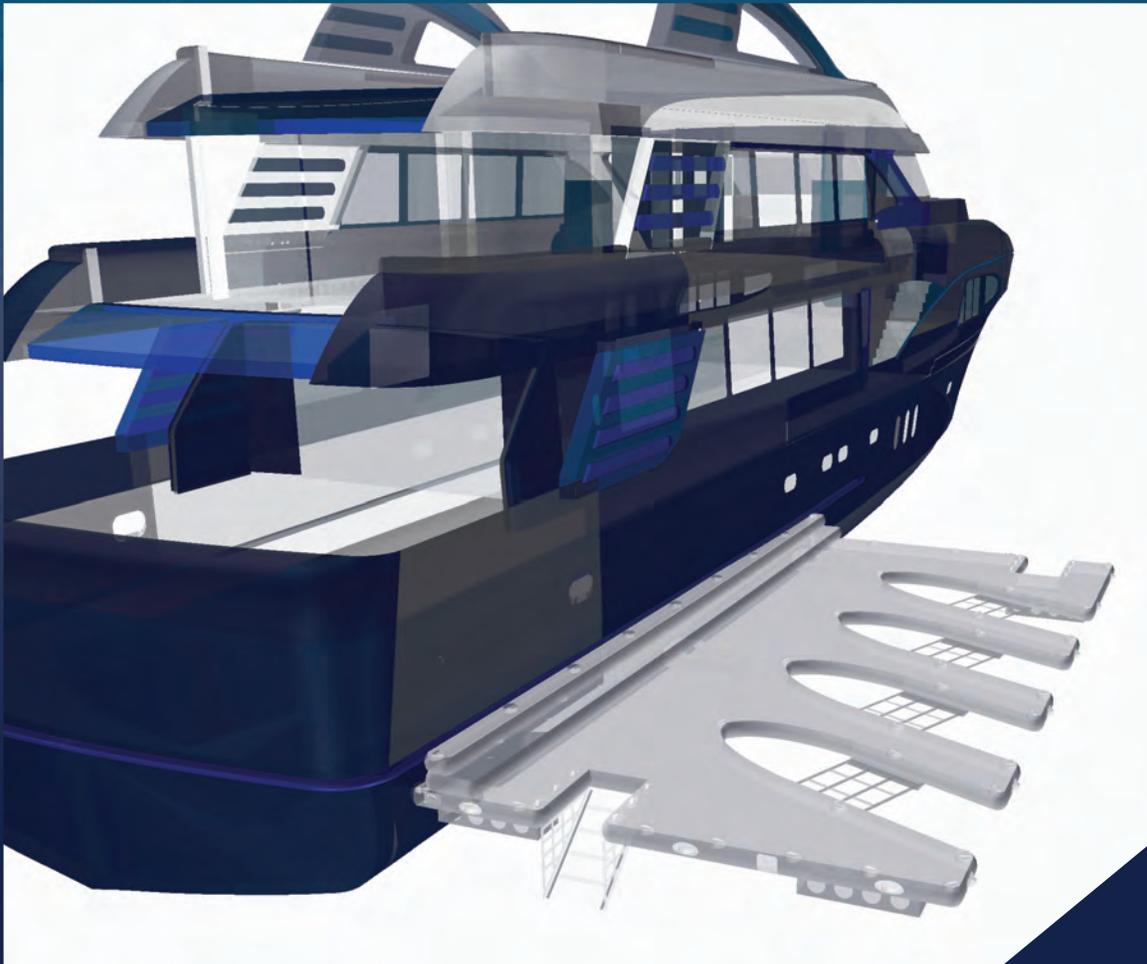

M/Y H

FREESTYLE **DOCK**™

Our FreeStyle Work Dock allows for free access in and around your vessel, allowing you to perform any desired task.

Our versatile floating trampolines can be customized to any size and color-coordinated to match all of your FreeStyle Toys.

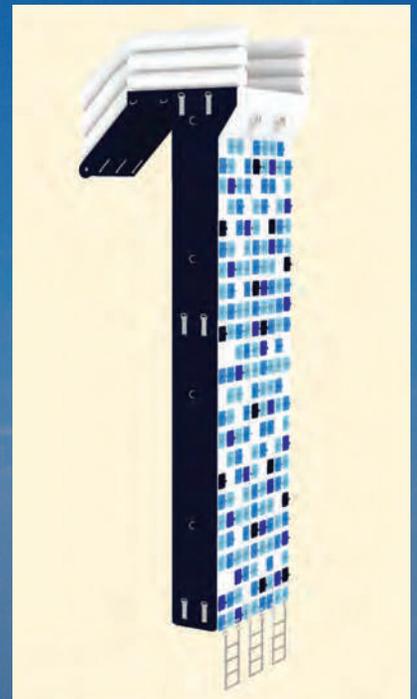

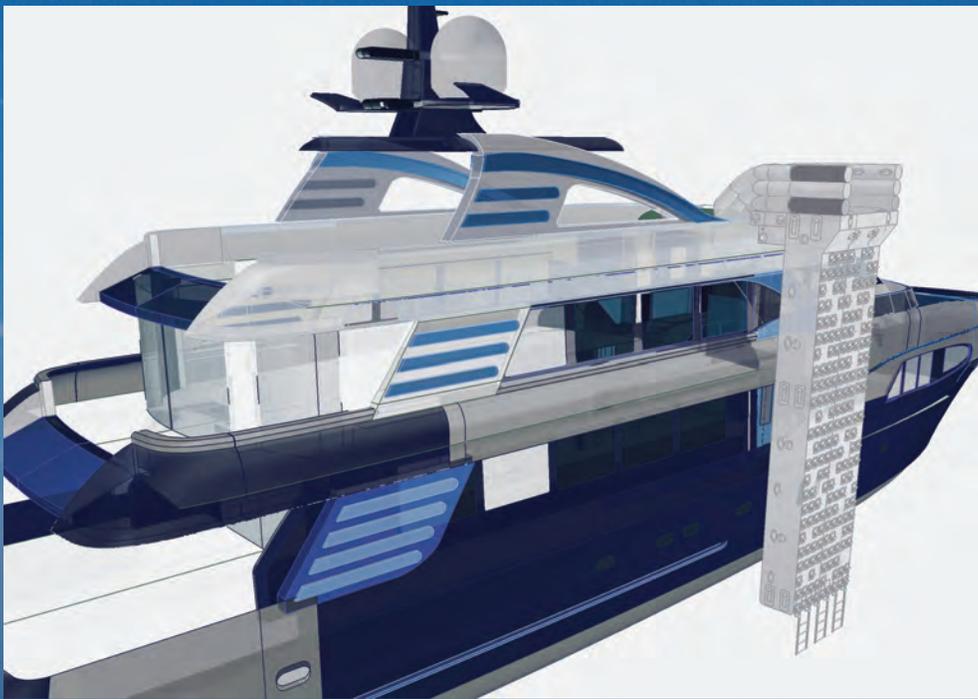

FREESTYLE **TRAMPOLINE**™

Made up of interchangeable components such as our FreeStyle Docks, FreeStyle Trampoline, the XS Slide, the FreeStyle Launcher and the FreeStyle Tower, your vessel can now become the ultimate playground.

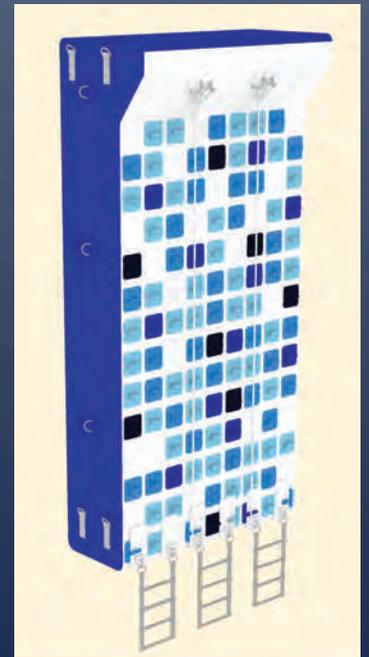

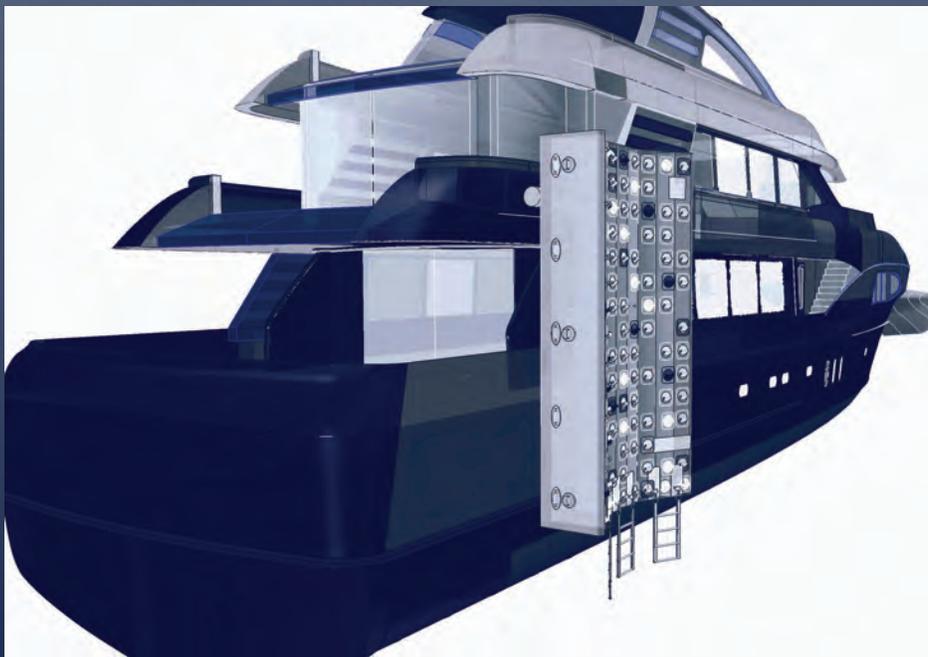

FREESTYLE **FLOATING ISLAND**™

M/Y Maryah

As with all of our products, the FreeStyle Rock Wall is custom fit to your yacht and available with an array of color and logo options to match your repertoire of FreeStyle products. Your "climbing path" and the degree of difficulty is limited only by your imagination.

The FreeStyle Launcher is the perfect addition to our FreeStyle Island, using innovative technology and customizable designs, these air cushions are set to launch you and your guests to new heights.

FEATURES AND BENEFITS

M/Y Amarula Sun

Producing our products in small volumes allows us to maintain our handcrafting skills as well as the ability to apply bespoke engineering solutions; this simply cannot be achieved through mass production. All of our manufacturing materials and accessories used in the creation of our products are custom made for us by our material suppliers according to our strict specifications.

M/Y Roma

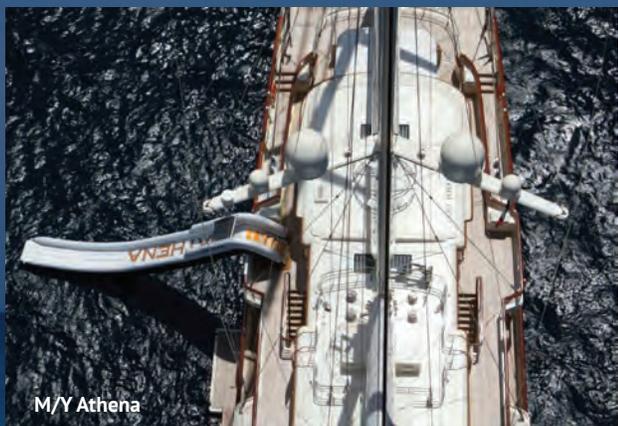

With patented technology, and while having created many of the “world’s firsts” such as the Yacht Slide, Inflatable Wave Pools, Building Evacuation Slides and the World’s Tallest Inflatable Drop Slide, we at FreeStyle Slides take pride in our intellectual property and invite you our client to contact us with any questions regarding the specifications and manufacturing methods that showcase the features and Benefits of owning a bespoke FreeStyle product.

CUSTOMIZATION & DESIGN

At FreeStyle Slides, our vision for cutting edge entertainment has led to the development of some of the most unique inflatable products in the world. Our flagship product, the FreeStyle Cruiser yacht slide, is the world's first custom made, sealed-air inflatable water slide for the yacht industry.

With the growing demand in the yachting world for products that offer better storage and portability, without sacrificing quality and performance, there is no better alternative than one of our custom inflatables. We now offer a wide range of products to help meet your needs.

Here are just a few of the custom manufactured products that we supply:

- Yacht Slides
- Sea Pools
- Jet Ski Docks
- Work Docks
- Trampolines
- Climbing Walls
- Wakeboard Rails
- Wakeboard Fliers
- Pontoons
- Fenders

All of our products are custom built to the exact specifications of your yacht. Using only the finest materials, craftsmanship, and state of the art welding technology, our designs exceed standards worldwide. An array of custom color and logo options are available when ordering our products. FreeStyle Slides has a professional staff that will work closely together with you, providing customization and design that is unparalleled. If you have a unique product idea that you would like to bring to life, please contact us for a free consultation.

As a yacht owner we recognize the quality of life and the level of entertainment that you have come to expect. At FreeStyle Slides we pride ourselves on being the only truly bespoke supplier of inflatable products in the world. Our products and the custom nature of their design exemplify the high standards of the yachting community. We strive to provide the best and the latest in inflatable technology and work hard in leading the way when it comes to innovation, safety and reliability.
