Whaly 455R Professional

The Whaly 455R is an incredibly robust, double-walled boat manufactured from high-grade Polyethylene – it's almost unsinkable and indestructible. This version is even stronger and has a foam layer on the inside, making it the preferred choice for professional use as a workboat, though it is very suitable for rescue operations too.

This boat is low-maintenance and is produced in 100% colour-fast Polyethylene.

The specifications will certainly convince you of its quality.

EC type Certificate; Assessed according to Directive 2013/53/EU and meets all applicable essential safety requirements.
