

# RIBCRAFT® Advantage

Built for excitement and adventure, a RIBCRAFT® rigid inflatable boat (RIB) is not your average center console.

Originally designed for safety professionals and military agencies, a RIBCRAFT RIB is perfect for the adventurer in you. Built to the highest commercial standards regardless of the customer, a RIBCRAFT is a boat you can trust to keep you and your family safe.

A RIBCRAFT RIB easily takes command of rough seas with its signature deep V hull and heavy duty Hypalon® tube for the perfect marriage of sports car-like performance and unmatched safety. Offering the ultimate rough weather handling, a RIBCRAFT performs like no other. Even in the roughest conditions, a RIBCRAFT RIB provides a smooth dry ride you can count on. Rough and calm waters alike, it is ready to go when you are.

RIBCRAFT continues to amass a loyal following of recreational boaters looking for the ultimate adventure craft that offers unparalleled performance, safety, and on water enjoyment. Whether you are looking for a boat to explore and cruise around in, water ski and wakeboard, go fishing or diving, or the perfect first boat for you and your kids, RIBCRAFT has a professional grade RIB that's right for you.

# Why a RIBCRAFT?

## Safety

Long considered one of the safest ways of transporting people and equipment, a RIB offers unparalleled performance and safety by incorporating a conventional solid fiberglass hull with an inflatable tube for increased buoyancy, stability, and overall performance.

## Performance

Designed with professionals in mind, a RIB with its aggressive deep V hull and heavy duty Hypalon tube delivers a more responsive stable smooth and dry ride in rough offshore conditions than hard sided boats. Professionals expect and demand the ultimate in performance and reliability, so should you.

## Personalization

RIBCRAFT builds every boat to order giving you the opportunity to personalize the boat, making it uniquely your own. With multiple seating choices, engine configurations, colors, and a host of options aimed at on water enjoyment, a RIBCRAFT RIB is sure to please the thrill seeker and sun seeker alike.

## Professional Grade

Designed with professionals in mind and built in the United States to the highest commercial standards, RIBCRAFT places great emphasis on durability and quality craftsmanship of each and every boat. With multi-chambered Hypalon tubes, reinforced hulls and pressure relief valves, RIBCRAFT RIBs are built for 24/7 commercial use regardless of the customer.

## Customer Service

RIBCRAFT prides itself on working closely with the customer to understand how they want to use their boat so that their RIBCRAFT RIB maximizes their on water enjoyment. During and after the sale, RIBCRAFT is there to support their customers whether directly or through their worldwide service network.
